

Regulations for the Scandinavian Klubsieger

The goal of the event is to have one main event for all the scandinavian rottweiler-people to get closer. But also to be a bigger attraction for more people to join, and also get a stronger voice in the international rottweiler society.

1 Execution of the event

1.1 Time and place of execution

The Event will take place in May/June every year (simultaneously as the Scandinavian IPO Championship), but is not to interfere with any of the other Scandinavian Events.

The Event should be held at a location that is of such distance and accessibility, that it is appealing for members of the other Union countries to attend.

1.2 Which country to execute

The Event is to cycle between the Scandinavian (hereunder including Finland) Countries, giving each country a 4 year interval.

1.3 Regulation of execution

The Event is to be held in terms of each representative countrys National Kennel Club, so it will be an official event, and if the National Kennel Club permits, the Scandinavian Klubsieger should be a CAC-Event, and with official titles in some form.

1.4 Classes

In addition to the standard classes according to the National Kennel Clubs, puppy-classes (National puppy-class-regulations) will be open for entries. Progeny puppy and Breeder puppy are also classes, for the fun of showing, that are going to be available for entries. These are the same as the Progeny- and Breeders class, but with puppies.

2 Entries

2.1 Approved Entries

All that meets the requierments of the representative National Kennel Club, and National Breed Club, is ligit to enter and attend the Event.

2.2 Disqualifications and withdraws

In addition to pt 2.1, a dog can be withdrawn from the show by a veterenarian at any point of the Event.

2.3 Handlers responsibilities

Every owner or/and handler is responsible for that their dogs health and best interests are always taken care of, throughout the Event.
